America the Beautiful
by Katharine Lee Bates

O beautiful for spacious skies,
For amber waves of grain,
For purple mountains majesties
Above the fruited plain!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine ev'ry flaw,
Confirm thy soul in self-control,
Thy liberty in law.

Our Speaker Today

The Honorable Lou Frey is a member of the U.S. House of Representatives, having served since 1968 for the Ninth Congressional District of Florida.

Congressman Frey was born in New Jersey in 1934. He graduated cum laude, with additional honors, from Colgate University in 1955 and graduated with honors from the University of Michigan Law School in 1961. He served in the United States Navy from 1955 to 1958 as an aviator and is presently a Captain in the Naval Reserve.

After being admitted to the bar in 1961, he practiced law in Orlando. His professional responsibilities have included service as Assistant County Solicitor and Acting General Counsel to the Florida State Turnpike Authority.

Congressman Frey serves on numerous legislative committees and has been a leader in advancing government efforts in the areas of solar and thermal energy, mobile home safety, effective drug control, Veterans affairs, marine mammal protection and the broadcast of political conventions and the inauguration in sign language.

Congressman Frey and his wife, the former Marcia Turner, reside in Winter Park with their five children ranging in age from 5 to 19. He is a candidate for the Republican gubernatorial nomination.

ACADEMIC REGALIA

Lending color to the pageantry of the Academic Convocation are the academic robes and hoods worn by the faculty. This regalia reaches back into the medieval ages when it served a functional as well as an ornamental role, separating the learned men from other groups and offering warmth and protection.

In America in the late nineteenth century, a conference was held by representatives of colleges and universities to bring some order and system to the custom of academic dress. Since then, there have been periodic conferences to revise or reconfirm existing practices.

Essentially, undergraduates wear the black robes with the white collars. Holders of the bachelor's degree wear hoods which are lined with the colors of the college conferring the degree and trimmed with the color representing the subject in which the degree was earned. The doctoral robe is adorned with velvet and is also worn with the hood suitably ornamented.

Holders of degrees from foreign universities or religious orders wear the entire academic costume as decreed by the conferring institution.

The following list reflects the colors which will be found on the hoods worn in the Academic Procession at this Convocation, and the subject each represents.

Art, Letters, Humanities	White
Commerce, Business	Drab
Economics	Copper
